*Variable Style*

Beauty is a manifestation of secret natural laws, which otherwise would have been hidden from us forever

*Charming Looking*

What beauty is to be seen is rare? That's what makes me feel good. Beauty is the first present nature gives to women and the first it takes away.

*Simplicity Beauty*

I appreciate simplicity, true beauty that lasts over  
time, and a little wit and eccentricity that  
make life more fun.

*Fashion Desire*

It is because that she lovingly gives the  
passion that she shows. The beauty of a  
woman grows with the passing years.  
Beauty is power, a smile is its sword.

*Absolutely  
Fuchsia*

People are like stained - glass windows.  
They sparkle and show when the sun is out,  
but when the darkness sets in,  
their true beauty is revealed only if there is  
a light from within.
